

BW-ILR – Trips for 2024 with JKL TOURS

Please note - the information below is accurate as of February 02, but SUBJECT to CHANGE!

Tuesday, April 16 Historic Churches of Cleveland \$89. Moderate

Enjoy a unique and inspirational tour as Cleveland holds a wealth of riches in museum-quality churches built by the many ethnic groups that came here and brought their religious heritage and devotion with them. At each site, we'll have a presentation by a congregation member about the fascinating history behind these remarkable holy places and gain a glimpse into the lives of the people who built them, the sacrifice it took and how each Church serves its current congregation.

We will start by seeing historic **St. Stanislaus Shrine Church**, in Slavic Village. This church highlights the spectacular architectural elements that make it awe inspiring and we'll also learn why this church was Never supposed to be built! Next, we'll visit **St. Theodosius Russian Orthodox** Church in Tremont. This unique Icon-style church played an integral role in the "Deer Hunter" movie.

We'll enjoy a wonderful lunch at the **Pier W Restaurant**, an elegant Cleveland landmark.

You'll have your choice of a chicken or fish entrée – chosen at tableside – as part of the white linen experience along with a city skyline view. In the afternoon we'll tour **Old Stone Church**, the oldest building on Public Square and we'll complete our day at **St. Patrick's Church in Ohio City**.

Depart at 8:30 am./return at 5:00 pm. Registration/refund deadline is March 27, 2024.
