PRESIDENT MARY KOLK'S MESSAGE...

I can't believe it is July already and we are gearing up for registration in August! Twenty-five of our 42 classes for fall will be in person! We are in constant contact with our venues and they are welcoming the ILR members back with open arms.

Last years online classes proved quite successful. Due to popular demand, 17 of our classes will be on Zoom and can be viewed anywhere you have a device and online access.

Thank you to all the amazing, dedicated volunteers who keep our organization running smoothly and efficiently. They all worked long and hard at making that happen during the pandemic.

Enjoy the rest of your summer and don't forget to sign up for the fall session.

Mary Kolk, President ILR

CLASS REGISTRATION NEWS

We are pleased to announce that Fall 2021 Class Registration opens August 2 at 12:00 a.m. and closes August 15 at 11:00 p.m. **All Class Registration will be done online. No cash or checks will be accepted; only a debit or credit card can be used for payment.**

Seventeen Zoom classes will be offered, and we welcome back 25 in-person classes! Classes begin the week of September 13, 2021. To view the list of our classes for Fall with their description, location and in-person or zoom designation go to www.ilrbw.org

Annual Membership in ILR is required to attend classes. If you have not joined or renewed before registration, you can do both membership and class registration online at the same time, however we encourage you to complete your membership before registration.

Click on the link below for registration using your debit/credit card:

Some classes have limits. Classes are first come, first served in the online registration system. If a class you have chosen has been filled, the registration system will let you know and you will have to make an alternate selection. If the class is filled online, there is nothing ILR can do to guarantee you a slot in that class.

2021 TRAVEL OPPORTUNITIES

Because of the Covid-19 Pandemic all ILR Travel was cancelled for 2020. We are pleased to report that we have met with all our travel partners and are **resuming travel for 2021**. Several trips were rescheduled from last year and already have ILR members signed up from last year.

We are working with three travel companies: Nowak Tours, Great Day Tours and JKL Tours. Travel includes one-day trips, short two or three-day trips and more lengthy multiple day trips. These trips are available to ILR members and one guest. Your payment to the travel company ensures a seat for the trip on a first come, first served basis. A standby list will be maintained for trips that fill quickly.

For more information on the trips listed below, see the email that was sent to you in mid-June. Any questions about travel can be referred to the travel company or to Maria Phillips and Tom Brennan, Travel Committee Co-Chairs at travel@ilrbw.org
