A MESSAGE FROM PRESIDENT MARY KOLK AND VICE PRESIDENT DOUG IMHOFF

Greetings! It will be fun this coming year to see our former and new members who registered for the ILR for 2021-2022. In addition, welcome to all of the attendees that are taking ILR classes this Fall of 2021 by Zoom or in-person.

Registration went very well for the Fall 2021 session, and all 37 classes scheduled will be taught by our great presenters!

In addition, masks, sanitizers and hand wipes will be provided to all attendees if requested during our ILR 2021 Fall session.

Please be patient with our presenters and host coordinators during this Fall session, since it has been awhile since we have had “in person” classes together.

In addition, please sign up for our 2022 Winter classes when registration starts in November. At that time, we will have another session of great topics that will be taught by ILR presenters! Also, we hope our very popular ILR luncheons and other get togethers will resume in late 2021 and in 2022!

ZOOM BASICS

Before a Zoom Class or Meeting, you will receive an email invitation with class handouts which includes a link to that Zoom meeting. Here is a one-minute video [explaining how to join a Zoom meeting](#).

We recommend you install the Zoom App on your device. Here is a page showing [how to download the app](#) for your device and operating system. If you forget how to start and use the desktop app, [this page will remind you of all you need](#).

Once you get the basics under your belt, move on to a longer Zoom training video (almost 2 minutes!) that explains some of the controls and functions you will see as you enter a meeting.

[Basic controls on the Zoom screen are explained.](#)

We also recommend that you attend an ILR How to Zoom Class offered prior to the beginning of each academic quarter. Here is link to a previously recorded ILR Zoom training: [ILR How to Zoom Training on the ILR YouTube Education Channel](#):
